

Knowledge Base for Environmental Health Officers

Access to our new on-line knowledge base is now available to all Local Government EHO's

Step 1 - select the following link (or cut and past to your internet browser)

<http://www.lga.sa.gov.au/site/page.cfm?u=1652>

Step 2 - enter your Council's username and password (same as for the LGA secure site)

Step 3 - read the Disclaimer - it contains important information!

Step 4 - utilise, review, input, feedback - to Melinda Coleshill, Project Officer email

melinda.coleshill@gawler.sa.gov.au

South Australian Branch
Tel 08 8271 9885
Fax 08 8271 9885
Email sa@eh.org.au

This manual aims to provide Environmental Health Professionals (EHPs) with consistent documentation and procedures to assist them to do their job.

Information available on-line includes model policies, standard operating procedures, guidelines, checklists, customer fact sheets, case studies and training, specifically for Environmental Health.

This project has been assisted by the Local Government Research & Development Scheme.
