

## Coordinator Environmental Compliance Projects

**Job No: BC1970**

**Location: Blacktown, NSW**

Blacktown is a vibrant city located in the very heart of Greater Sydney, half-way between Sydney City and the Blue Mountains. It is a city of ambition and excitement. With a total of 54 residential suburbs, and population of 403,000 coming from more than 180 different birthplaces, Blacktown City is one of the most diverse communities in Australia.

Working in Blacktown City provides a wealth of professional opportunities. Blacktown City Council is the largest council in New South Wales, 4th largest in Australia and a leader in the development of the western Sydney region. With almost unmatched growth expected over the next 25 years, we are on an exciting journey of transformation to prepare for a population of more than 644,000.

There has never been a more exciting time to join one of Sydney's most dynamic and high-performing councils as we continue to deliver outstanding levels of service for our proud and diverse community and prepare our great city for the future.

Blacktown City Council strives to be an inclusive workplace for all people. We welcome and encourage applications from all ages and genders, Aboriginal and Torres Strait Islander peoples, people from culturally diverse backgrounds, the LGBTIQ+ community, veterans and people with disabilities.

### About the opportunity

We have an exciting opportunity to work as a Coordinator Environmental Compliance Projects in our Environment section.

The role is responsible for further developing and implementing Council's Stormwater Industrial Auditing program, to ensure local businesses comply with environmental regulations to protect and improve stormwater quality. The program has a strong emphasis on education to support industrial businesses better understand their environmental responsibilities and work toward best practices.

The role includes supervising 3 staff also working to protect and enhance the health of our natural waterways. This is a term contract role, ending in mid-2025.

### Qualifications and experience

#### Essential:

- Degree in Environmental Health
- Solid working experience in environmental compliance or auditing
- Suitable experience in local government
- Current class C drivers licence
- Sound knowledge of and practical experience in the regulation of environmental pollution issues or industrial auditing
- Experience in the development of strategies and policies related to this field of work.
- Recent experience in staff supervision with direct reports.

### Remuneration and benefits

The salary and conditions of employment are in accordance with Blacktown City Council's Enterprise Agreement.

- A competitive salary range of \$1,859.80 - \$2,083.00 (Grade 16) per week will be offered based on skills, qualifications and experience
- 35 hour working week
- Opportunity to participate in Council's flextime arrangement
- Employee benefits such as leave entitlements (where applicable), 10% employer superannuation contribution payable to Active Superannuation Scheme, Fitness Passport and gym membership discounts, and social clubs.

### Our commitment to safety

Blacktown City Council is committed to safety. We have introduced alcohol and other drug testing at the pre-employment phase, and via a series of random and cause testing.

Please note being fully vaccinated for COVID-19 is a requirement prior to commencement and throughout ongoing employment with Blacktown City Council.

We are a child safe organisation that supports and promotes the safety, wellbeing and empowerment of children.

### Best of luck.
