Ask your local counsel.

At Norman Waterhouse we know that Local Government is big business with even bigger responsibilities. Our regulatory experience extends to all areas of Council responsibility including:

- by-laws • section 254 orders • public & environmental health issues
- Food Act issues • dog & cat management issues • parking issues
- enforcement of regulatory breaches (prosecution & expiation)
- supported residential facilities • Housing Improvement Act

Our commitment to partnering with Local Government means there is virtually no area of legal speciality that Norman Waterhouse does not cover when it comes to meeting the needs of Local Government.
